Camp SMILE! is a 2 week, therapeutic day camp experience which incorporates sensory integration, visual strategies, direct social instruction, positive behavioral supports and **LOTS OF FUN!**

Who should attend Camp SMILE? Camp SMILE! is for individuals (ages 3-16) with autism spectrum, communication or sensory processing/integration disorders who are independent with toileting and can be successful in a small, three to one camper/staff ratio.

Who staffs Camp SMILE? Camp SMILE! is staffed by professionals with experience working with the types of children who will be our campers. They may be Speech Language Pathologists, Occupational Therapists or Special Educators who are able to provide personal attention to the needs and goals of each individual while facilitating positive and appropriate peer group interaction.

When and where will it be? Camp SMILE! sessions are two weeks in length and meet Tuesday through Friday of each week from 9am until 1pm. Camp will meet at **the warren center**. Campers are placed in groups based upon their ages, social-language skills and functional levels. *Children not currently enrolled in warren center services will be evaluated to determine the most appropriate placement.
